\*Good Tuesday Morning: \*

\* Even though being from the mid-west and use to lighting and thunder, last night's storm woke me up. We again had a down pour leaving water in the gutters (?) this a.m. \*

\* I am happy to have received several notes from our Tip friends. Don and Mary wrote:\*

We are safely home after spending a few days in the Hill Country. The drive was great--no snow and good roads! Thanks for keeping us up to date on all the news from the Tip! We are hoping for a lovely summer and then returning to the Tip in late fall. All the best to all our Tip friends!

Mary Mitchell

\*Linda Figg wrote:\*

Steve and I arrived home safely after a stop in Tomball, TX, to visit with our son, Jason, and his wife AND our grandson, Lyncoln, born 3-30-17 . He weighed 8 lb 12.5 oz. 20.5 inches long. All are doing well. Had to share. Loved our second season at TOT. Looking forward to next season Lord willing.

\*Note from my Desert neighbors:\*

JOHN & Helen Willis home safely in Alabama after a profitable overnight at Coushatta casino in Louisiana. See y'all in December.

\*A note from the LaCoursieres, who will be sadly missed:\*

Hi Pam and Everyone at the T.O.T.,

We arrived safe and sound at our "Up North" home April 3 after spending three nights in Minneapolis with our two daughters and their families. No major incidents whatsoever so we feel blessed in that respect.

It's good to be home even though it's still cool and we don't have the rain/snow? predicted for the southern portion of our state. Talked to the Malteuds who also arrived about the same time as we did.

After 29 years at the Tip we will cherish so many memories of the fun times down there and all of the lasting friendships that we have made. Remember to call or stop by if you are in our area!

Love and hugs,

Merle and Alice LaCoursiere

\*Our friends from Wisconsin:\*

We made it home on Friday last week. Had a good trip home. Sure enjoyed playing samba this year and golfing with our good friends Jim and Carole Siltman. Had fun with the people from Lakes st. for happy hour and Friday morning breakfast. See you all after Thanksgiving. Arvid & Cindy Schouten

\*The Reiblings from Canada:\*

Just a note to let everyone know that we arrived home to Ontario safely as well. Weather & travelling were good.

Cool here but that's ok compared to the really hot days we had at the TIP. Thanks for all your work in keeping us all posted as to what happens at the TIP & events involving all the friends we have made. We really appreciate it. Hope everyone has a safe & healthy summer. Ken & Gloria.

\*Thank you all for letting us know that you have returned safely to your summer homes. \*

\* As you'll read, Don Wilder passed away. He will be sadly missed by all of us. Another Tip Family member taken away much too soon. Our deepest sympathy to wife, Carol, and his family. \*

\* Wishing you a good week, remember that each day is a precious gift. Please live life to the fullest. God Bless you All. Pam\*
