*Hello from IL. Arrived home last Monday dodging the high waters on the way home. They had 7 - 8 inches of rain here last week. So far we've had a few days of sunshine and the days are getting warmer. The weeds had outgrown the flowers and grass. I've spent several hours of tackling the problem. *

* I'm glad to report that my mother, Rose Ann Hancock, is doing well in the nursing home. She's in good physical health and going to therapy to help keep her active and only using a walker. She does have problems with her short term memory, but she still recalls the good times she and my dad had at the Tip. She will be 92 the end of May. *

* Sorry I haven't heard from anyone this week so I will close. Have a good week. Happy Mother's Day to all.

Pam
