*Good morning....happy 4th of July. I'm back in Central Illinois and the weather has been very nice (in my opinion,) 90's and lots of sunshine. Of course that is subject to change here at the end of the week. *

I received a nice update on Merle Thompson, my neighbor at the Tip:
We did get Merle moved to our home town two weeks ago which I am glad about so I don't have to drive 43 miles to go to see him everyday. The address he is at now is called : Perham Living, Harvest Glen Rm. 506, 735 3rd. St.SW., Perham, MN. 56573. He is doing P.T. 2 times a week and OP.T. 2 times a week then he has a stretching exercise 3 times a week, so he is keeping busy. He is still having some trouble with his balance so has to still have a person with him when he is practicing the walking. They discontinued the speech therapy due to no improvement has been accomplished in the past two Mo. They will give him another swallow test in two months to see if he is able to swallow anything without choking, if he does they will try some more speech therapy. He has put on a few pounds so looks more like himself again.

The weather has been wet and cool to miserable here too Pam, I agree with you as to warmer weather preference. Good to hear from you and we think about you all often. Take Care, Marian

It's so good to hear that Merle is continuing to improve and that he has moved closer to their home in Minnesota. I know he would appreciate hearing from his TX friends. Please keep them in your prayers.

*

And, speaking of prayers, remember Betty and Bill Mauck. They will need all the help to get thru the next couple of days.

*

Enjoy a safe July 4th....Pam
