

Pam's Notes

Good afternoon: Hoping this finds you all above water and not in the line of all the flooding across the country. Central IL has been under a heat advisory for the last week. I know you Texans have no sympathy for us, but we also have 100% humidity along with the heat. It's been kind of hard to do any work or play outdoors in the afternoon.

I received this not from Bonnie Tunnin:

Just a line to let you know John Tunin passed away on July 17th. You remember how he loved to play tennis. Please post this at the Tip for all his friends to see. My address is 2523 Bell view Dr., forty Wayne, In. Phone 260 482 6671 Thank you Bonnie Tunin.

John will always have a special memory in my heart. No matter what kind of silly tennis games I thought up, he would always be there to participate. I'm sure some of you can remember his tacky tennis outfit. He wore a muscle tee shirt covered with mustard, ketchup, etc. and a great cap. John will be sadly missed. Our deepest sympathy goes out to Bonnie and her family!!!!

Merle Thompson continues to regain strength and is doing well in rehab. Thank you Marian for keeping us informed. Merle is accepting text and e-mails easier than calls. He still has some problems with his speech. Keep up the good work, Merle.

Don't forget, if you're traveling, please remember to collect the toiletries for the women's shelter.

Have a good week. Also, Thank you Dave Ochs for not only conducting the MM Meetings, but also sending the minutes on to us. Pam
