

Pam's Notes

Good evening: Can you believe it is the last day of July? The summer is flying by, but I guess that's not too bad because that means it's closer to returning to the Tip for the season.

I do have an updated address for Bonnie Tunin. 2523 Bellevue Dr., Fort Wayne, IN 46825 Phone 260 482 6671 Hoping this will help if you had a card returned. We send our condolences to the Dick Ball family. Always sad to hear of a past resident that has died.

I had a nice note from Don and Joan Phillips from New York:

So sorry to hear about John Tunin. We have so many great memories of John and all his tacky tennis outfits that he wore on your tacky tennis days.

Don just had his cataracts removed and sees so well - doesn't wear glasses...he wishes he had it done long ago. I, fell in Florida in April and did damage to my hip, which was already giving me problems and low and behold am having a hip replacement tomorrow - I am hoping I will still be playing tennis and pickelball when I heal. Time will tell. Other than that, we are great - We spend 6 months in Florida and 6 months in New York where our kids live. We do have a grandson who teaches in the Ft Myers where we live so we see him all winter.

So happy you send the news from the Tip. We think about our 20 wonderful years there and sure miss all our friends. I remember when the tennis group surprised me on my 70th birthday - what a memory and here I am now 81!!! Don and I have been so fortunate to have found so many senior years of happiness, first at the Tip and now Florida. Love to you and all our friends at the Tip.

With no other news, you know we appreciate hearing from you, I'll close. Have a good week. Pam
