### **Pam's Notes**

I'm playing catch up with the MMMeeting. Sorry I was without computer last week (bummer), but wanted to pass on a few things.

To begin with AI Septrion posted on Facebook Aug. 8

Just to update on Sue, she had fallen out of bed a couple nights ago and fractured her neck. She was taken to Ludington hospital via ambulance and airlifted to Grand Rapids hospital where they did emergency surgery on her neck having some issues with her arms and hands but will be going into rehab this week hopefully so prayers needed for her please

I saw Saturday on Facebook where AI was taking what he called "a fast trip to Michigan to see how Sue is doing. And then, last night he posted:

I am here at Mary Free Bed Rehabilitation Hospital. Sue looks great

So please remember both of them in your prayers and if I hear anything, I will pass it on.

The second important thing I want to add is a nice note from the Maucks:

Betty and Bill Mauck would like to thank their Tip Of Texas family for all the support, many prayers, and cards received during the illness and death of their son, Tim

We continue to pray for peace and support for them and their family.

Now for some sad/glad news. Sharon and Carlton Cummins have bought a house in the Alamo Country Club and are planning to move from the park. Good for them, BUT so sad to see them go. They both will be sadly missed for all of their volunteer work within the park. Please keep returning to visit your "ol" friends.

So today I say, "Have a good weekend!" Hoping I'll be back on track with reports next week or in a day or two. Pam
