**Pam's Notes**

\* Good morning from beautiful Roatan, Honduras. The weather is perfect 84\*, water's clear and just right for snorkeling and diving. Today there's not a cloud in the sky. \*

\* I want to thank several of you who have had to return North and have dropped a note telling us you arrived home safely. \*

\* Russ and Sheryl Tibbetts: \*

\*

Just a note that we arrived home yesterday, no problems.

Missing the really warm weather down south. We are having dreary weather here, no snow!

Hope everyone has a great summer, stay well!

Thanks

The Bells: (We will all miss them next season.) Hoping they'll come and rent.

Tom and I arrived home on Sat. Had two good days and then Sat. ice and snow, We witnessed 40 cars in the ditch on Interstate 80 and then on 380 there were 49 in the ditch. The ice was before we got there. Anyway we made it home safe.

Thanks for sending the MMM minutes and news. The Bell's

The Wises:

Safe arrival to Arkansas! Great 'Tip Time' in our memory bank 'til next season.  
Pat and Jim wise

The Sinnotts:

Hey Pam, just a quick note here to let you know we got home safely and managed to dodge all the storms along the way. - Bev and Pat Sinnott

The Martels"

After (it seems) a short stay at the TIP this past winter, we left on the 18th of March, spent 2 wonderful nights at our friends Zela & Marvin Chapmans in Dallas (and Pam, used your bed by the way lol) before we left for home...after 2 nights on the road, and forgetting our wallet in the hotel room in Rolla MO, we finally got home on the 22 Mar...good driving all the way but for a slow down in ST Louis (2 hrs stopped...arrived home at 630 pm...still snow on the ground and cold North winds)...enjoyed time at the TIP and will be looking forward to late November...now getting ready for our move to the seniors complex...wallet arrived by Fedex Monday March 26 by the way..

Bonnie and Dave Becker:

Hi everyone, got home safe! Hoping this picture of what they came home to comes through.

Gwynneth and Jack:

Hello Pam: Jack Robinson and I got home safely yesterday. On our way, we stopped in at THE ARK near Williamstown, Kentucky (just north of Lexington). It was fascinating - 10 stories high, 2 football fields long and fun to explore. Crowds of people were there with us. No snow at home and lovely bright sunny weather now that we are home.

The Devaneys:

we got home today at 5:30. The blue bonnets were gorgeous along the way. Took Texas toll Rd Rt 130 just south of San Antonio. All the way to Georgetown. Not much on 281. Would you believe John got me up at 4 AM? Did 1450 miles in 2 days. Tired!!! Have a great summer. Elaine.

Have a wonderful week and safe travels if you're having to head north. See all at the Tip next weekend.

Pam and Pete
