\*Good sunny afternoon from the Tip. I really hate to rub it in for those of you up North but we're having very nice warm, sometimes hot, weather. We heard that central Wisconsin had 2' (that's two feet) of fresh snow. Hey Mother Nature, it's mid April.

I did hear from a few Tipsters who have migrated. The Faasens wrote:

We returned to a cold Missouri after stops in San Antonio for a Rampage AHL hockey game, Waco and with friends in Dallas attending a craw fish boil, church and bike swap event. Great trip, now to work!

The Bradys:

Dave and Joan Brady. We arrived home in Apple Valley Minnesota yesterday 4/9. Thankful no rain, snow and clear roads. Storms were ahead and behind. We were able to sneak in between. COLD here. They are reporting coldest April in history. Miss the TIP. Thanks for the mm minutes.

Much to my dismay, I,too, will be heading North soon. My brother is having some medical problems and I feel as if I should be home. I will be complaining about the cold weather like so many others.

Wishing all a good week. Pam
