**Pam's Notes**

Good Afternoon from sunny, but I think chilly, central Illinois. I headed home early Tuesday morning and only had a couple hours of rain in the two days it took for me to get home. It's hard to realize that it's the end of April and there are no leaves on the trees. I transplanted my plants but have to cover them due to the frost warnings out for the weekend. I wished I could have stayed a couple more weeks in the warm south.\*

Like me, several have traveled home and dropped me a line.\*

Mary Raasch sent this on April 4:\*

Home safely. Had an accident due to ice on overpass. Not hurt. Some damage to car. Scott and Mary\*

We left the Tip early Sunday. and got home Monday late evening....had beautiful weather. We paid Clyde and Helen Bozarth a short visit in Missouri Monday afternoon. so nice to see them. We miss both in the pool hall. Sunshine

today but the rest of the week is to be cooler. Hope you have a safe trip to Illinois if you haven't already left. Bring the warm weather with you.

Ken and Donna

Sharon Bramlett:\*

Made it to Mo. Wensday. Nice weather. But next few days really cold and windy. Had to get some leaking pipes fixed and can't get furnace to work. And it turned cold! Miss Tip and friends already. Stay safe and well.

Rebecca Porter:\*

Thanks for the updates. Here in Gurnee we are experiencing January weather and we are missing our friends at the TOT.
