Pam's Notes

\*Good Monday evening to all. \*

\* First I received some very sad news from past resident Rick McAloney.\*  
just to let the TIP friends know that Lynne passed away Mon night the cancer spread to her lungs. We loved our stay at tip 12 great years.

\* Lynne was such a fun loving lady. She will be sadly missed by all who knew her.\*

\*On a lighter note. Sherry Dickey wrote:\*

\*Terry and I are being gypsies this summer. We went from San Antonio to Omaha for our grandson's graduation, and now we are headed to Terry's family in Iowa, then a week in Okoboji, followed by a quick stop in Minneapolis. We will then spend five weeks in Duluth, MN, at the university, for Summer Senior Housing. We'll see how we are holding up after that, before we plan the rest of the summer. Happy trails to you all. Sherry and Terry Dickey\*

\*Peggy Perkins, long time past resident wrote:\*

Morris is in a nursing home right now. He is weak and his mind is not so sharp anymore. I am hanging in but not kicking very high. One of our sons stay with me. when you are 91 you can expect to slow down.

I really look forward to the MMM. Keep up the good work.

Peggy

It was such a nice surprise to hear from the Perkins. Thanks Peggy.\*

Jim is doing so well!!! We went to the cottage and he managed the rough terrain so we are planning to spend as much time as possible there this summer. Mom is with us for a few days and is doing well She is 93 and going strong. We are really hoping to be back at the Tip this fall.

\*Such good news. \*

\* Also good news was from Eilene Wilhelm:\*

\*

Marty's abdominal aneurysm surgery went well. Few bumps with his blood pressure. They just took out ventilator and is breathing on his own. Thank you for prayers and thoughts.

\*

\*And my last good news from the O'Briens:\*

Just wanted to let you know that John & I got home here in Illinois last night. Had a good trip only one heavy rain storm we drove in for about 20 minutes. Other than that all was good.

We are sitting on our front porch have our morning tea and coffee and watching it pour down rain. It looks and feels so good to be cool. Also feels good to be home.

Wishing all a happy and healthy summer and hope to see all in South Texas this fall.

John & Darlene\*

\*I told Darlene that they were lucky they didn't run into Central Illinois\*\*severe\*\* storms yesterday. We had straight line winds and even some tornados. Several trees were uprooted. Thank the Good Lord no major injuries.

\*

\* Have a good week. Pam\*
