**Pam's Notes**

\*Good Morning...Just received this precious picture from Sherry Dickey. She had visited Jane Hubbard and had written.: I've visited Jane Hubbard in your her new digs in Eden Prairie Minnesota. It looks like the perfect place for her to live if we can't have her at the TIP. Thanks Sherry and may I add....Jane you're look'n GOOOOOD! But, I already miss my Desert neighbor.\*  
\*

\*According to the National News,\*\* it seems like the Tip missed having flood damage. Downtown Mission and other areas, showed waist high water. We should feel fortunate and thankful. Also a big thank you to the Tip workers for fixing the skirting of the trailers that were effected by the water flow. I believe the park

notified those residents if their unit was jeopardized. \*

\*

\*I would like to report that my mother, Rosanne Hancock, is back in the nursing home and doing much better. Thank for your prayers. Please keep Carol and Harvey Frederick in your prayers. \*

\*

\*Wishing you a good week....Pam\*
