- Jeanelle Barry's surgery report indicated there were no more cancer cells in the lymph nodes. She thanked everyone (via email) for their prayers.

Al Seprion reported 169 residents on 112 sites. Palm trimming should be complete by Wednesday. Road repair and paving is complete for this year and the new roads look great! Floor waxing continues and the pickleball courts will be started next week. Because of the time involved to complete this, the Wednesday night dance on August 1 will be cancelled. RECYCLING: Edinburg no longer accepts plastic bottles, glass bottles or plastic bags. Newspapers, cans and cardboard are the only items being accepted. If the recycling facility finds other than those items, they will no longer provide recycling bins.

Kathy Radtke and Linda Beem cooked hog dogs at last week's dance and it was a huge success. They will continue to do this weekly from 6:00 to 8:15. One hot dog and bag of chips \$2.00, one hot dog, \$1.50.
