Pam's Notes

Good Evening...Again I would like to thank you for my notes and sympathy cards. So many of your sentiments brought tears to my eyes. It was so nice of you.

I had a call from Linda York this week. She and Jim are doing well. Jim is getting stronger and they are planning on returning to the Tip before Christmas. This is very good news.

We need your input....Even though I've heard from several of you, we need to know what you've been up to this summer. Please give us a text.

Have a good week. Pam
