**Pam's Notes**

\*Good evening from Longboat Key, FL. Thought I might get away from the Midwest heat only to find the same 90\*s. The beach water has Red Tide that has brought dead fish and a green dirty water. But, I've spent the week with a good friend and have enjoyed my stay.

\*

\* I had a nice note from **the Mitchell's**.\*

Sorry we have not written in a long while. We have been having a busy summer! We have sold our tourist camp and so are in the process of moving across the street into Don's Homestead. That is if the deal goes through by September 12!

We HOPE to be able to come to Texas this winter if all goes well physically for us. We would fly down this winter as Don left a vehicle down there when he went last March.

We have been having a very dry, hot summer and perhaps you have heard that there are a lot of wildfires burning in Northern Ontario. Around our place in Spanish we have not had any although if the wind is right we do get some smoke coming our way.

So we hope to see everyone in the late fall! Take care.

Regards, Mary Mitchell

Jenny & I have had a busy summer: starting with a build out of an apartment, golf trip to Myrtle Beach, helping our son build a food truck (Pic attached) and just returning from RAGBRAI. Time for a break! Can't wait to get back to the TOT to rest. Miss you all.
