**Prayer led by Paul Barcenas.**

The main hall floor looks GREAT! Many thanks to all the hard work from our Maintenance team.

**Al Seprion** reported 181 residents on 119 sites. Stripe painting on the shuffleboard court is continuing and looks great. This should make the area much safer. Hobby Shop should be completed by tomorrow.

Eighty-five dancers showed up at last week's dance. Hot dogs will continue to be served from 5:00 to 7:00.

Horsecollar every Friday at 7:00. Show up around 6:50 to get your partner. There were 16 players last Friday.

Have a great week! Be kind to each other.

**Pam's Notes**

First...sorry I'm late in sending the minutes. I took advantage of a major tennis tournament in Cincinnati, OH and have been gone for a couple of days watching matches.

I received this nice picture of Mary Olson on her 90th birthday. Doesn't she look great!!! (photo was not attached)  
Happy belated, Ms. Mary!!!

Lee took this picture of me today, as this is my 90th birthday. quite a milestone for me, as all others in my McLeod (maiden name) family are younger than me.... and of the immediate family, there is just my sister in Texas and a cousin in Kansas...

Sure miss all our activities in Texas. ...The friends, music, volleyball games and etc. Lee is using a cane most of the time now and seeing a Neurosurgeon to really find what is wrong with his lower back. I think it is possibly Arthritis or pinched nerve, but nothing definite yet.

Tonight I found out sad news that Gordie and Lois Skinner's daughter, Jean passed away from cancer. The Skinner's address is: 3839 Hart Blvd. Apt. 220, Minneapolis, MN 55421-4142 if you would like to send them a card.

We send our prayers and condolences to them and their family.

Our weather is being to change to cooler mornings. I'm sure since school is starting this week we will soon be back to hot and muggy, but now it is quite nice. You know it won't be long before we start heading south back to the Tip. But in the mean time, have a good week. Pam
