**Pam's Notes**

Hello All. It is hot and steamy here in Central Illinois. Just when I thought it was getting cooler and I was ready to start packing to head south, it is back into the 90's with high humidity. We have even had heat advisories the past couple of days. I'm sorry to report that Harvey Frederick passed away. We are so very sorry to lose yet another long time Tip resident. If you would like to send Carol a card, her address is: 101 E Sioux Rd. Unit 1156, Pharr, TX 78577. Our deepest condolences go out to Carol and her family. Harvey fought a long, hard fight.

Alta and Bob Hough have been traveling and reported:

We have had a very busy summer. We did get up to see John and Char. They showed us a great time, lots of laughs and fun. We also got up to see Don and Doris Brake, they are doing and looking good. They took us around and showed us their farm. Nice time. They wanted us to tell everyone they said hi. Sending a picture of them.
