**Pam's Notes**

Good rainy morning from Wisconsin. Decided to get away and visit my friend, Pete for awhile. It seems I bring clouds and rain to the area whenever I have had a chance to visit this summer. And, this time it has kept to the norm. I guess that's what I get for complaining about the steamy humidity in Central IL. Remember it is a woman's prerogative to complain....or was that to change our minds. Whatever.....

I have heard from a couple of Tipsters the sad news that Dixie Israel has passed. One was from Mary Kitkowski and another from Hope Bradford:

I just got a call from Sue Ann, Dixie's daughter. Dixie Israel passed away August 29th. That was the second anniversary of my David's death. I will always remember that. She was coming to see me this year and we were so excited. Jo Greiner is coming here in November. Just remember every day is a blessing. Enjoy life to the fullest. God bless you all at the Tip. ??Hope

I also learned that long time resident, Shirley Felin had passed last week. John O'Brien has thoughtfully posted these obituaries on the totfyi website. Thank you, John for always keeping us updated. Please keep these families in your prayers.

I am sorry my pictures did not come thru last week. Sooooo I'll try again.

The Brakes (remember Bob and Alta stopped for a visit) and hopefully the new kitchen center island. We'll see if these come through.

I am going to try to send the minutes in a word attachment form so you can see the pictures of the Labor Day party. I am unable to copy them and repost. Please let me know if you are unable to receive and open the minutes and I will send them to you without the pictures. Have a good week. Pam
