**Pam's Notes**

Sad, sad news, as you will read in the minutes, Merle LaCoursiere passed away this past week. He and wife, Alice had been in the park for several years and only had to sell 2 seasons ago because of his health. Merle fought that dreaded Cancer for several months. We need to keep Alice and her family in our prayers. I am sure John O'brien will have his obituary on the Toffyi website. If you would like to send Alice a card her address is 7200 Riverview Drive NE, Bemidji, MN 56601. You may be able to contact her at e-mail address merlealice1955@gmail.com

I have had several to ask for Mike and Donna Williams home address. I finally looked at 2917 photo book and found. 2243 Hillary Avenue, Ottawa, ON Canada K1H 7H7. Remember they posted that Donna will be having heart surgery after the first of the year and because of age, Mike felt like they could no longer afford Canadian insurance for traveling outside of the country. They will be sadly missed.

It was good to see Vera Janis was released from the hospital and back at the Tip. Hoping you are recovering well.

I am anxious to see what chair volleyball entails. Sounds like fun already. Remember to bring your new ideas for new activities this year. We all need to get involved in the Park's get togethers.

Have a good week.....Pam
