

Notes for August 9, 2021

Good morning everyone

Just a note that we are going to cancel the upcoming Monday morning meeting scheduled for 8/9/2021

As we are going to be working on the Main Hall, getting the area cleaned and put back together for the upcoming Dance season starting September 1st.

Also if you are in the Resort and want to get your flu shot, be sure to sign up ASAP they will be giving it on the 7th of September here in the Main Hall.

I'll do an update for Monday as usual as to what's going on at the Tip
