Notes from the Main Office

Welcome back friends and neighbors, we are happy to have you back.

We want to welcome everyone home, and a special welcome to all new guests who have chosen the Tip O' Texas as their home away from home. If you are new and haven't had your picture taken for our new resident board please stop by the office and have your picture taken so we can share on the new guest board. We have a map of the United States and Canada so if you choose to put a pin in the area you call home, so other residents see where we all hail from. We have new Activity Directors this season, Barry and Faye Wallage, welcome them and help support their success in their new role. You may recall they were cooks last season and have stepped to the challenge of Activity Directors. Remember the park activities wouldn't exist if it weren't for the volunteers who step up and assist in so many things, thank you one and all. The managers have an open door policy, so feel free to stop by. If you need their assistance please stop by the office to fill out a work order so we can track the progress of the task, please do not just ask a worker as we aren't necessarily aware of what is being done.

We hope everyone had a safe and wonderful Thanksgiving with family and friends now ready to enjoy the Christmas season with all of us at the Tip. Again we must emphasize on the SPEEDING in the resort as well as obeying the stop signs. Our speed limit is 15 MPH please obey it. Also remember when you're driving your golf carts or 3 wheelers they belong on the streets not on the sidewalks around the complex. Use your lights when dusk or dark, walk with flashlight or reflective clothing. We will be losing Carolina Sosa from the Office staff as she begins her new role as a new mom and stay at home mom. We want to wish her the best. Stop by to say goodbye. And we then want to Welcome Mercy Molina who is on board and replacing Carolina so stop and welcome Mercy. On behalf of the Office staff we want to wish each and everyone of you a Merry Christmas and Happy New Year.

Al, Sue, Eva, Carolina, Mercy and Shujen

Notes from the Activity Office

A HUGE thank you for the warm welcome from everyone! We feel so at home here and consider you our Winter Texan family! As we said in last month's article, the door to the Activity office is always open to you. We will strive to assist you the best of our ability.

Obviously, we are still learning our way around the office and our position as your new Activity Directors. We ask your patience if we give you a "deer in the headlight" look sometimes.

Things are beginning to "buzz" around here. More and more Winter Texans are arriving daily, which is great! Thanksgiving is about upon us, and if you have not yet signed up for our Thanksgiving meal, on Thanksgiving Day, be sure to stop by and put your names on the sign up sheets in the Main Hall. Tickets are available for our popular Potato Bake, December 6th, \$5.00, in the Activity office. Also, tickets are on sale for our New Year's Eve Dinner Dance, 8-12 midnight, \$15.00 per person. Please bring exact change for both of these events.

Don't miss our Arts and Crafts show, December 21st from 8 to 12 noon. Lunch is available starting at 11 a.m.

Keep your activity booklet close by so you don't miss out on our many activities. There is something for everyone!

We cannot say thank you enough for all our wonderful volunteers. You are the reason this park stays alive and active!

THE BABY THAT ROCKED THE WORLD

Christmas is a wonderful time of the year. A time for families, food, beautiful music, gift giving, parties, decorations, and celebrations. But let's not forget the MAIN PURPOSE of the holiday. An important principle of successful living is to keep the main thing the main thing. It's all about a baby, a baby that rocked the world. The account is found in Luke 2:8-14.

“And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, “Do not be afraid. I bring you good news of great joy that will be for all people. Today in the town of David a Savior has been born to you; he is Christ the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.” Suddenly a great company of the heavenly host appeared with the angel, praising God and saying, “Glory to God in the highest, and on earth peace to men on who his favor rests”.

The word of the angel in the story helps us capture the importance of this baby. “Do not be afraid. I bring you good news of great joy that will be for all people. Today in the town of David a Savior has been born to you. He is Christ the Lord.”

The angel called the baby a Savior.

Why do we need a savior? The Bible says “All have sinned and fall short of the glory of God.” Romans 3:23. We need to be rescued!!

The baby paid the price. He fixed our problem. When we have faith in what he did for us we can reap the benefits of His life and death. “Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we rejoice in the hope of the glory of God.” (Romans 5:1,2) Some of the benefits are forgiveness of our sins, eternal life in heaven with God, and a relationship with Him here on earth. When we remember the significance of this event we have much to celebrate and rejoice in.

Christmas is “Good News of Great Joy that is for All the People.”

Merry Christmas

Church attendance steadily grows each week, and the returnees have complimented on the new fall bouquet and the new candle arrangement on the altar.

Because our regular pianist, Bona Malo, had not arrived by the first service, organ music was acquired from an internet source. Using this method, the church will always have accompaniment to the hymns even though a musician may not be available.

The third Sunday of every month the congregation donates the entire collection to the Pharr Food Bank. The collection for November was \$890.

The Christmas Even Candlelight Service will be held at 4:00 on the 24th. This is a not-to-be missed service with the re-telling of the Christmas story, the silhouette nativity, and the beautiful music. The ever-popular bread pudding with several sauce toppings and fellowship will follow the service.

There may be plenty of time afterwards to attend another Christmas Eve service outside the park, but don't miss this one!

The guest performance of the year will be the Vagle Brothers Gospel Quartet from Minnesota who will share their talents during the January 5th service. They are a nationally renowned group who performed for us two years ago and we welcome their return. The four brothers sing the favorites that most love and will have their popular cd's for sale as well. This is another not-to-be missed service.

NEW OBITUARY BOARD

In loving memory of his wife Donna, Henry Scheibel donated a bulletin board for the specific purpose of displaying obituaries of the Tip o' Texas residents. It is located on the wall by the treasure table. It will display eight obituary articles and then they will be saved in a notebook for later reading. The notebook is in a wall file next to the bulletin board, also donated by Henry.

Donna was well known at the Tip. She was a fantastic cook (relishes and German recipes), she painted with acrylics and oils on various materials (canvas, boards, etc), she was an avid card player (a former casino dealer), she loved to play games of any type including Mexican Train, and she spent hours and hours at the sewing machine. She enjoyed making crafts including jewelry. Donna and Henry loved to travel as they toured all 50 states and 14 foreign countries. Donna was a Queen Mother of the Red Hatters and she enjoyed lunches with her friends. Her six children and the many grand and great grand children will have many memories of her as she taught them how to paint, sew, cook, and share as she had done.

Donna will be missed by those who knew her. A special thank you to Henry who donated the bulletin board in her honor.

YOUR FEARS!

red hat greetings/crabby cards

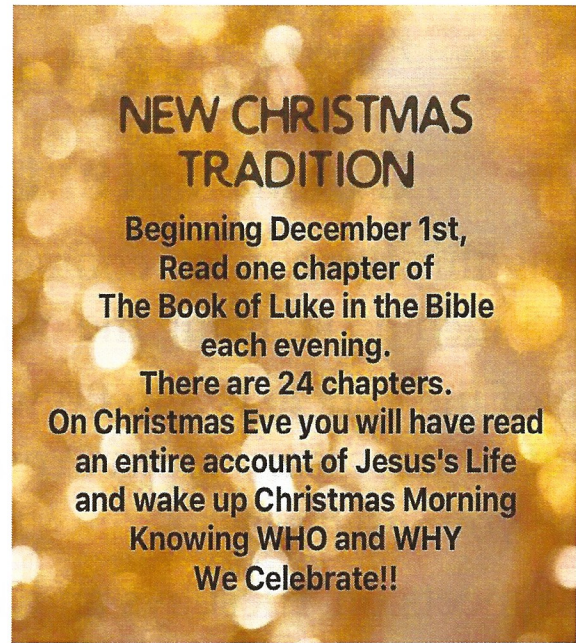

All ladies at the Tip o' Texas are invited to join the Red Hat Ladies. We enjoy going out to lunch, museums, cultural events and various locations in the RGV. Only thing we ask is to wear a red hat and purple clothing. I do have extra red hats, if someone would like one.

Our Christmas party is Tuesday, December 17th. I have reservations at Pepper's at Uptown on North 10th in McAllen. Please sign up on the sheet on the bulletin board if you are interested in attending. And, of course, I will need volunteers to drive. Please indicate on the sign up sheet if you are available to help car pool. We will have a \$10 gift exchange. Please bring a wrapped gift, if you want to participate.

We are meeting at our usual location -- near the inside pool's entry door. We are meeting at 11 am, reservations are for 11:30.

Another event is an all RGV red hat ladies "Festival of Tables" event. It is Wednesday, February 19, 2020 at Trophy Gardens RV resort. There will be 40 tables decorated to different themes, a catered chicken meal, and Mario Rosales will be performing. The cost is \$18. There is an informational flyer on the main hall bulletin board (for more details). Please see Jana Fleming (309-251-0875) if you would like to attend. There are usually over 300 ladies from all over the Valley in attendance at this luncheon and it's a lot of fun seeing all the beautifully decorated tables. All Ladies at the Tip O' Texas are invited to attend.

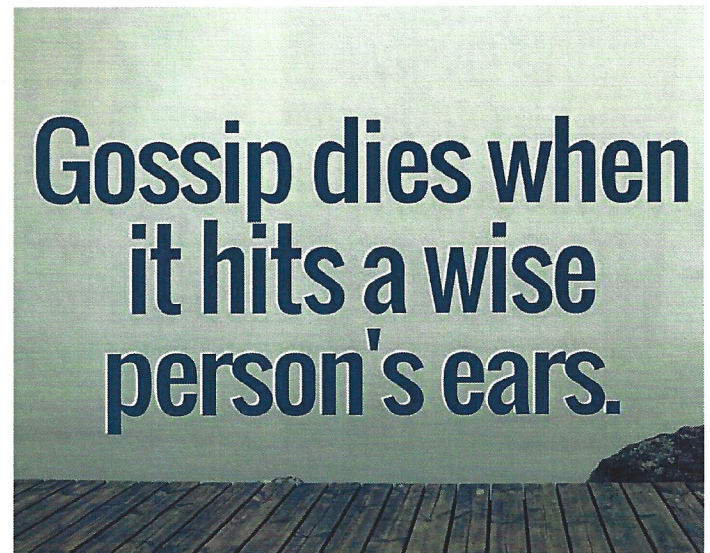

FOOD HANDLERS' COURSE

The State of Texas, starting this year, has decided that all the parks serving meals for any occasion have to abide by this ruling. Anyone, whether preparing or serving food (even packaged), will now have to take a course in food handling. This is a two hour course and can be taken online, OR at the Extension Office at 410 N. 13th Ave. in Edinburg on the 3rd Thursday of every month starting at 6:00 p.m. (call in advance), OR the Activity Office will try to get a mass class in our park. Your certificate will be good for two years. The cost of the course is \$20.00 (\$9.99 if taken online at <https://www.foodhandlercardonline.com>) and will be paid for by the Activity Department.

If you are interested in a mass class, there will be a signup sheet on the board - please print your name as this is what the instructor will use to create your certificate.

Bingo is every Monday night starting at 7:00. We sell cards starting at 6:30. This is a great time to have some fun and who knows, you may go home with some additional cash in your pocket. See you on Monday.

TOILETRY MINISTRY

Thank you so much for the many toiletries that you collected this summer and on your way back to the Tip. The response has been wonderful. We have come home to many bags of all sizes on our porch. The women and children are so appreciative of these many items. We have delivered many packages already this fall. Thanks again. You can leave the toiletries that you collected at 904 Trails End.

Samba is played every night in the Hobby Shop. Samba is a card game similar to Canasta or Hand and Foot. We will have an introduction to Samba in the Hobby Shop on Thursday, December 12th at 10:00 a.m. Come and be a part of this activity where you have lots of fun and meet a lot of new people. We have close to 50 people at the peak of the season. Any questions, call Bill or Betty Mauck, 956-310-8626

25 MILE SWIM

25 MILE SWIM is actually for everyone. All you need is a desire to exercise your body. If you can float and move your arms and legs (not necessary to move both at the same time or to look like an Olympian) you can go back and forth or forth and back (one lap) of the outdoor pool. Eleven laps equals 1/4 mile - so 44 laps = 1 mile and in no time you have 5 miles and all of a sudden you have 25 miles. YEAH!!

A chart to keep track of your laps is on the back bulletin board. One sheet helps you keep track of each lap and another sheet will track 5 miles at a time.

WINTER TEXAN ORCHESTRA

Christmas Concert: December 22, Sunday at 3:00 p.m. Come and hear some wonderful new Christmas music selections played by your neighbor musicians.

The T.O.T. orchestra could use some interested people to join us. It's never too late to enjoy music at any age. We plan to play seven concerts this season.

Blood Drive

Our first blood drive will be on January 8th from 9 to 12 in the Al Barnes Hall.

Thanks to all of you who have donated in the past and hoping you will all join us again this season.

The first meeting of Book Club is Wednesday, December 11, at 1 p.m. in the Arts and Crafts Room, and I am so excited!! I have read so many wonderful books this summer, but when I share them with Terry, his eyes glaze over and he becomes comatose. I know, my Book Club friends will be truly interested and may even want to read some of the books I enjoyed. So come and be prepared to share your books and truly interested friends.

Also, for those of you who chose to read *The Count of Monte Cristo*, we will discuss the first 300 pages after the regular Book Club ends.

If you haven't come before, give us a try—you might really like it.

THANK YOU THANK YOU THANK YOU

I want to thank all the people who participated in the Alzheimer Walk. Whether you were on the team and walked, donated to the walk, or bought tickets for the quilt raffle. It all helped us to exceed our goal. Several people donated money the day of the walk and that had to be entered by the Alzheimer Association and has not been completed in time to make this deadline. As of the day of the walk, we had already posted \$2,795 against our \$2,000 goal.

I am so pleased with the generosity of people to help the research to try to find a cure for this disease that touches so many lives.

Thank you again, Joyce Sauter

WOOD SHOP

How does one prepare a board for a new shelf without owning the correct tools, or know who to ask for advice? Answer: The monitors at the woodshop can probably answer most questions and perhaps help you on the project. Stop into the shop for assistance.

Free wood pieces/scrap may also meet your needs for your pet project and won't cost you a cent.

Be sure to wear your name badge and sign in on the sheet near the door if you intend to use any of the equipment.

A few regulars are already working on their personal projects. Feel free to drop by to see their activity and their progress.

The shop is open from 9 a.m. to noon and 1 p.m. to 4 p.m. Monday-Friday, and 9-12 on Saturdays.

TV Corner - Part 2

TV CORNER ROKU AND AMAZON STREAMING DEVICES Nov. 2019

From July to Sept. Cable and Satellite lost over 1 million subscribers, so now might be a good time to look at what choices we have in the future. ROKU devices are great for first time cord cutters. They have 29 million accounts and have over 4000 channels and 500,000 programs. There are 7 different models from \$30 to \$100. A lot of new TV's now come with the ROKU operating system built in. To get the full benefit of a ROKU TV you have to get an account set up. Same with the AMAZON devices.

The EXPRESS is \$30 and it's a small box hooked up to the TV with a HDMI cable it carries a HD 1080p signal.

EXPRESS + is \$40, it has voice and TV control, HD 1080p, has a mute button, Wal-Mart has exclusive rights to this.

ROKU PREMIER is \$40, if you have a 4K TV then this one has 4K with HDR. (High Dynamic Range) it supports a brighter picture and a wider range of color detail. The TV has to support this feature and the programming has to have it in its content. Lower end TV's show no improvement. No voice or TV control, it's an upgraded box with a basic Express remote.

STREAMING STICK PLUS price has been reduced from \$60 to \$50 has 4K, HDR with voice and TVF control, comes with a wireless remote, doesn't need line of sight to operate the TV

STREAMING STICK PLUS is \$60 comes with a headphone edition, 4K, HDR, voice and TV control, headphone jack is in the remote. A Best Buy exclusive. Can be used with the ROKU app on a smart phone to connect by Blue tooth to the phone

ULTRA LY is \$80 4K HDR, voice and TV control, has a headphone jack, also an Ethernet jack if your wi fi is not so good. A Wal-Mart exclusive.

ULTRA is \$100 4K HDR, voice and TV control, headphone jack, upgraded remote, 2 new voice buttons.

Prices are reduced at certain times of the year. Some cons are no real power off button and no Internet browser.

AMAZON has just overtaken ROKU with 34 million accounts. What people like about them is the ability to install 3rd party apps to view TV and movies for free if you know how to do that and how to fix the problems that are bound to happen. If you are used to watching TV without any hitches then this might not be for you. Keep in mind they work fine for installing regular subscription apps just like ROKU. They carry a few streaming devices but there is really only one to mention when we talk about AMAZON streaming devices and that is the FIRESTICK. A lot of new TV's now come with the firestick built in. They come with different browsers, which is nice for searching the Internet

FIRE TV STICK is \$35 plugs into the back of the TV by a HDMI cable, a HDMI extender is included if you have trouble getting it in. Has voice and TV control for volume and mute. Streams in 1080p

FIRESTICK 4K is \$39 right now, prices fluctuate. \$10 more than regular firestick. The 4K gives a better picture when you're using a 4K TV. Has Dolby Atmos audio, is faster, with better Wi-Fi
