

Sad news for a Monday morning. Good friend, Joan Riedle, passed away Sunday morning from brain cancer. Joan had only been treated for her disease since July. Please keep Ray and family in your prayers. Ray's address is 5175 383rd Street, North Branch, MN 55056 if you would like to send him a card.

Also Ron Thompson has had extensive stomach surgeries with continued treatment. He and Debi will not be able to return to the Tip this season. Please add him to your prayer list. (I know God answers your prayers. He looks over me and has Blessed me because of your cares and prayers. Thanks to each of you.) If you would like to drop Ron a card, their address is 5133 E Country Road 150 N, Avon, IN 46123.

I received this from the office. Al writes:

A couple things to share, on the gate they will be back this coming Monday to start doing the repairs.

I spoke with Pastor Lightner this morning regarding the postponement of the November 1st worship services, he will keep us posted as to when he can make it to the valley. Pastor told me he is praying for all of us and we need in this time of need to also pray for Pastor Lightner.

Nothing new on opening this week, will keep you all posted as information comes in.

To touch on the Activity Department, ways of trying to generate some income for the activity department. They didn't have enough interest in the (Pizza Day), they have other ideas such as having lunches and breakfasts. Would you be interested in this? These meals would be curbside pickup. They also ask for your input regarding this and any ideas you may have to assist them in the decision of perking interest

Barry and Fay will be working on assembling the items they purchased (games) so we will be able to use them soon.

If you are traveling be safe

Al

Barry and Fay sent out this memo:

Just want to let you know that, due to lack of interest, we will not be having a "Pizza Day." We do have other plans, one being, starting up lunches and breakfasts. Would you be interested in this?? These meals will be curbside pickup. Please share with us your input regarding this, and any ideas you might have to help our Winter season get off to its' usual fun blast!

We would like to, depending again, on the level of interest, begin implementing these meals right after our November 1st opening season. Obviously, the present process of doing things is different from what all of us are accustomed to, but we will get through it together.

We have ordered in several portable outdoor activities, which we believe will perk your interests. We will have everything assembled soon.

If you have any concerns, feel free to stop by, or call to discuss them with us.

Thanks!

Their email is [TipOTexasactivities@rvresorts.com](mailto:TipOTexasactivities@rvresorts.com) They would appreciate any and all suggestions.

Please know we are social distancing here at the Tip. Masks are being worn indoors, and everyone is doing their best to make themselves and others stay safe. The weather has stayed in the 90's (with a cold front expected tomorrow) but is so pleasant in the mornings and evenings.

Even though you're keeping safe, don't forget to vote!!! Have a good week. Pam (But wait, there's more!!)

~~~~~

My mind was blank yesterday. and I forgot a few items. (No blonde comments, please.)

Our Desert neighbor down the street, Wayne Campbell, passed away a week ago from heart complications. I am sure his significant other, Cledia Watrous would appreciate your prayers along with a sympathy card. Her address is 101 E Sioux Rd. unit# 1236, Pharr, TX 78577

I also want to pass on a note from Joyce Sutter on her upcoming Alzheimer's walk:

It is only three weeks till the Alzheimer's walk. Our team is Waterford Garden. The walk this year is a "virtual" walk and our team will be walking here in the Park on November 14. If you are interested in walking with us please get in touch at once, our time is short! If you would like to make a donation to our Walk for Alzheimer's you can write a check to Alzheimer's Association and give it to me. You can also donate through my Facebook page. We are still searching for the first survivor from Alzheimer. Many thanks to you who have already donated Our team goal is \$2000.

Joyce Sauter

We are sadly losing some long time residents of the park. Barbara Horne is selling her house and moving closer to family. If any one would be interested in a nice house in the Amigo section, please contact Barb at 956/244-3485 or email bhorne10@hotmail.com.

Also Terry Ernest will be moving to her daughter's. Terry's 2 bedroom trailer located Lot #528 on Forest Trail is for sale. Terry's telephone # 956/787-6971 or egetme@aol.com.

Take note that I am not a realtor, but may be open to a commission! Kidding!!!!

Another sad note. We lost worker Elevterio Adame from presumably a heart attack here in the park. He was the fine gentleman who trimmed the bougainvillea hedges and was always working. He was only 67....so young. If any of you would like to donate to his family, there will be a collection box in the main office. I'm sure if you are not in the park you could mail your condolences to the office.

I just received a call from John Imlah. They were packing to come South and Virginia fell and broke 3 ribs. She is now in the hospital and it is questionable if they will be able to return this year. If you would like to drop Virginia a card, their address is 13331 Oakwood Ave. Huntley, IL 60142 Please keep them in your prayers.

Will close again. Pam
