

**Good Morning. A beautiful day here in south TX. First a short update on my health. I start chemo treatments this week here in McAllen. After 2nd treatment of the scheduled 6, I will travel back to Houston for more test. With the help of the Good Lord, I am still feeling fine. I do appreciate all your prayers and concerns. So much for that.**

**Hoping good news for some here in the park. Sister park, Tropic Star is trying to get the covid vaccine for their residents. They will include Tip residents. There is a sign up sheet in the main hall. BUT you MUST live in the city of Pharr AND be a TEXAS RESIDENT. Of course there is still the age limit of over 65. Please check out the sheet.**

**I receive a note that Illene Jenson, long time resident, contacted the Covid virus a couple of weeks ago. She now is very weak and sleeps a lot. She is still eating and they hoping she will continue to get better. Please keep Illene in your prayers.**

**Remember today is the last day to purchase your Woodshop spaghetti tickets.**

**I received a short note from the Giesens:**

Just want to thank you so much for sending the news from the Tip every week. We still plan on coming down but we're having trouble getting the vaccination also. Around here you have to do everything by the computer so we just have to wait to get the notice. Sy and Charlene Giesen

**Also a reminder of the Jackson pest control will spray units February 17 and 18th. Please contact Bob and Alta for more info if needed.**

**I received a note from Mike Martel**

:Thanks for the update! and quickly too..things are quiet here on the covid front..we are in a lockdown till the 10th..so we are staying hunkered down..very few cases in our area but still being careful..no vaccine yet...our area received 500 doses (WOOPEE) last week but none for us...don't expect to be vaccinated till May June...Our Grandson (20) diagnosed with Hodgkin lymphoma..not sure what he will be getting..Radiation or chemo...should know this week.. Mike and Claudette

**Prayers for their grandson.**

**A Happy 80th Belated Birthday to Dick Lynch. Jan. 31**

**That's it for now. Wishing you a good week. Please keep me in your prayers on Thursday. Thanks.. Pam**

**From the office**

Good morning and welcome everyone

Here we are already into February  
We currently have 406 Guests on 260 sites.

A couple reminders

Golf Carts If you have a golf cart be sure your lights work at dusk and when driving around at night again reported that people are driving without their lights on, Please if your going to be driving use your lights if you are walking

Please have laminated clothing or a light I do see some walking with a light thank you to you all.

The COVID Virus- FYI, 2 of our sister parks are totally shut down due to someone testing Positive and they are not sure who it is so in the interest of protecting everyone they have closed the parks down for all activities. This could happen to us which we surely don't want to happen.

With that being said We need to be aware of our surroundings and what we are going to use or do, following the guidelines put before us by County, City and Corporate not to exceed the number allowed for the activity.

Don't forget the Activity Department has games you can sign out and utilize,

Don't forget to sign up for our lunch on Tuesday if you plan on eating the menu will be Vegetable Soup, Ham and cheese sandwich with lettuce and tomato.

We want to wish Mercy in the office best of luck in her new adventures as she will be leaving us on the 11<sup>th</sup> of Feb, and you can stop and say best of luck and welcome Cathy who will be taking her position so welcome Cathy.

I want to say Thanks to Nancy Frank for her quick response to an emergency incident on Saturday, thank you Nancy.

That's about all I have, have a good week and stay safe.

Al

### **Additional Note**

Representatives from the City of Pharr will be at the Tip at 10 a.m. on this Friday, Feb. 5. There will be a tent set up. Location possibility in front of the Hall. This is a question and answer time for all residents. There will be prizes given away. Note that households can only accept one prize. Come out and help support the park, hoping for the city to consider us giving us the vaccine.
