

Pam's Notes

Good Sunday Morning:

Coming early this week due to my dr. appointments in Houston the next couple of days. All prayers appreciated.

It is good to see more residents returning. So nice to talk to old and new friends, even if from afar and social distancing. Hasn't it been hard not to be able to go up and hug or shake hands with your friends. We miss that contact.

Anyway, Al has sent a report that I would like share:

Good morning, and welcome to all the new arrivals,

Please make sure when you do get in to come to the office and get checked in, We currently have 278 residents on 191 sites

So far the gate appears to be working well, just a reminder if you have issues of getting in call the Office 956 787 9959 even if the office is close the phone is transferred to a cell phone, so should be answered and be sure to be calling from the gate. If you are here at the gate and need to have assistance to gain access to the Resort call the Office from the KIOS that is a cell phone in itself, when you used it to call the Office who ever on the office end can than gain you access by pushing 9 on our cell phone, same works for you if you are calling someone to help access you.

A big thank you to Karen and Ace Minch for organizing the Veteran's day parade, nice program in short notice, thank you Jeff Gordon for playing at the event and Activity directors for their help in making the day what it was., Thank you to all who served our great Country, and who were here to participate in the festivities. Delores Simpson has received news:

We have learned that resident, Al Kimmle and past resident, Jerome Mater both have covid virus. I know Linda Kimmle's address is 61084 E 310 Road Grove, OK 74344. I'm sorry I do not know Mary Mater's address for cards. Please pray for these fine friends.

Lastly, if you're in the park, remember the Ice cream Anti social cart coming around on Sunday afternoons around 1:30 or so. Listen for the cow bell.
